

# CARGO-MATE™

***This 250 lb. max. portable lifting device has many uses aboard power boats, sailboats, on docks or anywhere a compact portable crane is desired.***

***The kit is complete with ratchet winch, lift tackle and mounting base.***

## **BUYER'S ATTENTION PLEASE**

*The Cargo Mate™ is not a "clip-on" device. It must be mounted in a manner and location on the boat that is structurally strong enough to support its 250 pound load lifting capacity. If there is any doubt in your mind as to proper installation, seek professional assistance.*
